

**Stryker** is a gaming full tower with stylish black and white. It features the ultra-strong rubber carrying handle at top, allowing gamers to travel easily with the finest hardware. With the innovative design of 5.25"/3.5" Combo Cages and 9+1 expansion slots, Stryker offers superior flexibility for system upgrades. Two USB 3.0 Super Speed ports and the Fan Controller are located on top cover for easy access. Stryker is also compatible with the latest high-end graphics cards, such as AMD Radeon HD 7970 or NVIDIA GTX 680 with its roomy interior.

### Features

- Stylish black and white design with mesh front panel provides constant cooling
- Top ultra-strong carrying handle with rubber coated
- The unique 90 degree rotatable 5.25"/3.5" Combo Cages offer flexibility for installation
- Rich I/O support with two USB 3.0 Super Speed ports (int.) and 9+1 expansion slots for great expandability
- The fan speed can be adjusted by top control panel
- The internal tool box and Storm Guard™ secure gamers' peripherals
- Supports the latest long graphics cards, including AMD Radeon HD 7970 and NVIDIA GTX 680
